Would you like me to continue with episodes 7-15 of Season 2? These episodes will lead us through:

1. The Jackson confrontation
2. The Drop Core conspiracy

3. Ana's discovery on Y'ung
4. The Den'Shah threat revelation
5. Foster's 2055 Colony Founder's Day speech

The later episodes will particularly tie into your timeline's "Marred by Plot Complication" element and set up the larger galactic conflict.
